Student Feedback Action Taken Report 2023-24

After taking feedback from students certain points were discussed and solutions were provided for them.

SN	Suggestions	Action Taken	Impact
1	Students provided suggestions on teaching-learning.	On the basis of Feedback given by the students it was decided to make the teaching more practical based. All departments were asked to design their knowledge imparting method in such a way that its imparting method goes beyond lecture method.	Teachers paid more attention to have involve in practical. Students participate and get positive response.
2	Improve the mathematics faculties	The college has hired new faculty members in the affected mathematics departments and has provided additional training for existing faculty members.	The average student rating of teaching has improved in the affected mathematics departments.
3	Professional sports coaches should be arranged.	The requirement has been communicated to the teacher in-charge of sports.	Students participate various sports.
4	Computers donot work properly in computer lab.	Due to electrical problems in college, some of computers was getting starting problem. But now electrical issue is now solved and all the computers are now working properly.	Students doing there work properly.
5.	There is no laboratory for Microbiology.	New microlab is developed with well equipment.	Students satisfied with this lab and equipment.
