## Teachers Feedback Action Taken Report 2023-24

After taking feedback from Teachers certain points were discussed and solutions were provided for them.

SN	Suggestions	Action Taken	Impact
1	Upgrade laboratory facilities.	Purchased advanced lab equipment and updated existing infrastructure based on departmental needs.	Enhanced hands-on learning opportunities for students and improved faculty satisfaction.
2	Provide additional ICT tools for teaching.	Installed smart classrooms and provided access to online teaching tools and software.	Enabled faculty to adopt modern teaching techniques, improving classroom engagement.
3	Regular review meetings for academic progress.	Scheduled periodic departmental meetings to review progress and share best practices.	Improved coordination and the timely achievement of academic goals.
