Parent Feedback Action Taken Report 2023-24

To understand the attitude of the parents towards the institute, the infrastructure, the facilities offered and the values inculcated the feedback and action taken were expressed in the following manner.

SN	Suggestions	Action Taken	Impact
1	Parents were very positive about the teaching staff. They felt that the teachers were knowledgeable, enthusiastic, and dedicated to their students.	The teaching staff will be supported with professional development opportunities to continue to grow and improve their teaching skills.	Teachers paid more attention to have involve in practical. Students participate and get positive response.
2	Parents were generally satisfied with the curriculum, but some felt that it could be more updated and relevant to the workforce.	The curriculum will be reviewed and updated to ensure that it meets the needs of students.	Some specific way it updated which develop students critical thinking and problem-solving and can help students develop the skills.
4	Parents were very satisfied with the school overall. They felt that their child was getting a quality education and that they were getting the support they needed.	The College will continue to work hard to maintain the high level of satisfaction that parents have expressed.	All teachers appreciated about their work.
