Alumni Feedback Action Taken Report 2023-24

After taking feedback from Alumni certain points were discussed and solutions were provided for them.

SN	Suggestions	Action Taken	Impact
1	Conduct more career guidance sessions.	Organized workshops and guest lectures with industry experts and alumni working in diverse fields.	Enhanced students' awareness of career opportunities and improved their employability skills.
2	Improve campus placement opportunities.	Collaborated with more companies and organized placement drives in coordination with the Placement Cell.	Increased placement opportunities and higher placement rates for students.
3	Include skill-based training programs.	Introduced short-term certification courses in soft skills and technical domains.	Students gained practical skills, making them more industry-ready.
4	Upgrade library resources.	Procured additional reference books, journals, and e-resources based on alumni recommendations.	Improved access to up-to-date learning materials for both students and faculty.
